25th November – 2nd December 2009

Dear Northamptonshire PGA Professional,

The Northamptonshire PGA has decided on Innisbrook Resort and Golf Club, home of the PGA Tours \$5.4 million Transitions Championship on the Copperhead Course for their USA Pro-Am 2009. The package includes flights with British Airways, Gatwick to Tampa return, if you want to fly from Manchester there will be a small supplement of only £65, 7 nights in executive suite accommodation with 1 round on the Highlands South Course, 2 rounds on the Island Course and 2 rounds on the famous Copperhead Course! At £1,845 per amateur and £395 for the Pro's the trip represents great quality this year at a truly great price with no increases from last year!

Please read carefully the optional extras shown on your booking and bring these to the attention of your team. Other Pro-Ams to America are considerably more expensive than ours, so book early to avoid disappointment.

Due to high interest and limited availability the Northamptonshire PGA have set a closing date for deposits of 30th April 2009.

For further information please email Richard Hudson on richard@linkevents.net or phone +351 917 938545.

Yours sincerely,

Shane Rose

The PGA TOUR professionals consider Copperhead to be one of the “Top Five” courses they play all year.

COPPERHEAD COURSE

Tree-lined fairways and rolling terrain define Innisbrook’s most famed course – a lengthy challenge for even the longest hitters at more than 7,300 yards. Striking in beauty and challenge, Copperhead is characteristic of a Carolina layout with dramatic elevation changes and tall, stately pines. Here you will find a truly breathtaking experience from tee to green.

ISLAND COURSE

The Island's first six holes are bordered by beautiful Lake Innisbrook and lateral water hazards that require pinpoint accuracy on tee shots and approaches. The middle six holes feature rolling hills dominated by cypress and pine trees. The final third of this course boasts a mixture of holes designed to reward the bold and penalize the errant golf shot. Your round will end at a finishing hole that’s withstood the test of the world’s most skilled players and is one of the most photographed in Florida.

HIGHLANDS SOUTH COURSE

At over 6,600 yards, Highlands South is reminiscent of a links-style design, both in terms of rolling terrain and numerous fairway bunkering. Ample waste bunkers, a total of 10 water hazards, undulating terrain, and the Gulf of Mexico breezes all combine to make Highlands South another great Innisbrook challenge.
